

# Lacing Anchors

Gerard Daniel's Lacing Anchors are manufactured out of high quality stainless steel alloy. They feature a sharp tip to help pierce the desired material. These anchors are used as fasteners for removable insulation pads.

## Material Property Data

GAUGE	WIRE DIAM	LENGTH	ALLOY
14	.080"	2-1/2"	SS
14	.080"	4-1/2"	SS
12	.1055"	2-1/2"	SS
12	.1055"	4-1/2"	SS
